

**TO:** The Honorable Mayor and City Council Members

**FROM:** Michael C. Van Milligen, City Manager

**SUBJECT:** Kaufmann Avenue Storm Sewer Improvement Project from Francis Street to North Main Street  
(CIP 2642769, PROJECT X0006 and CIP 64042735)

**DATE:** June 8, 2020

Sealed bids were received for the Kaufmann Avenue Storm Sewer Improvement Project from Francis Street to North Main Street. City Engineer Gus Psihoyos recommends award of the construction contract to the low bidder, Portzen Construction, based on the Base Bid plus Alternate Bid in the amount of \$1,777,262.50, which is 3.9% under the estimate of probable cost.

The improvements will be funded using the \$24.9 million in Community Development Block Grant Program Disaster Recovery – National Disaster Resiliency funds for the Bee Branch Watershed Flood Mitigation Project and CDBG entitlement funds.

I concur with the recommendation and respectfully request Mayor and City Council approval.

  
Michael C. Van Milligen
