

COVID-19 Quarantine Flowchart

for persons potentially exposed to a positive COVID-19 case

Day 0 is the last day of the potential exposure.

NOTE: If at any time symptoms consistent with COVID-19 develop, **regardless of testing status**, the person should immediately start self-isolation and contact their local public health authority or healthcare provider. Furthermore, regardless of when the quarantine period ends, all persons should wear a mask, stay at least 6 feet from others, wash their hands, avoid crowds, and take other steps to prevent the spread of COVID-19.
