Dear Mr. Brown,

This letter is to inform you that the Enrollment Application, required fee and Participation Agreement for the property known as Blum East at 501 East 15<sup>th</sup> Street in Dubuque, Iowa has been received and approved. The site is officially enrolled to address polycyclic aromatic hydrocarbons and metals in soil.

From the anticipated timetable (attachment E3) the next item expected to be submitted to Iowa DNR for review and approval is the Site Assessment that should delineate the full extent of soil contamination down to Land Recycling Program residential soil standards.

The Department looks forward to working with you on this project. Please contact me at 1-515-725-8337 if you have any questions.

Regards
