

13th Annual GROWING SUSTAINABLE COMMUNITIES CONFERENCE

OCTOBER 12-13,
2021

GRAND RIVER CENTER: DUBUQUE, IOWA

Dubuque, one of the most progressive and nationally recognized sustainable cities in the Midwest, will co-host the 13th annual Growing Sustainable Communities Conference in October 2021. This conference is packed with comprehensive, impactful, and actionable sustainability ideas, plans, and best practices for local government and business professionals. Don't miss this opportunity to secure a sponsorship for your business to reach an estimated 400+ municipal professionals and community leaders.

PAST WORKSHOP TOPICS HAVE INCLUDED:

Resiliency & Brownfields, Green Infrastructure and Water Management, Watershed and Hazard Mitigation Planning, Collaborative Energy Planning, Decarbonization, and more...

PAST ATTENDEES !

"I thought that the variety of topics was excellent. I think I found takeaways from every single session that I attended, even for those that I selected simply out of curiosity. Honestly, I discovered a number of topics that I can apply in my work that I didn't even know I didn't know. This is the best conference I've attended in the past couple of years."

IN 2019: 482 ATTENDEES
FROM 105 COMMUNITIES IN 28 STATES.

- GOVERNMENT 42%
- BUSINESS 21%
- NON-PROFIT ORGANIZATIONS 12%
- EDUCATION ADMIN/FACULTY 6%
- STUDENTS/OTHER 19%

*The 2020 conference was cancelled due to COVID-19
