

Chavenelle Rd. Reconstruction Project

between Radford Rd. and NW Arterial

Construction Start Date:
August 9, 2021

During both Phase 1 and Phase 2 of construction, traffic from Radford Rd. to the NW Arterial will be maintained as eastbound one-way traffic.

All westbound traffic will be detoured from the NW Arterial to Pennsylvania Ave. to Radford Rd.

Phase 1: August - September

North side of Chavenelle closed during this phase. When final paving is finished, eastbound one-way traffic will be switched to the newly paved surface on the north side of Chavenelle and Phase 2 on the south side of Chavenelle will begin.

Phase 2: September - November

South side of Chavenelle closed during this phase. North side is now eastbound one-way traffic. When final paving is finished, the project is complete and two-way traffic will resume.

Estimated project completion date is late November 2021.

Please note, the construction schedule is tentative and may change due to weather or the contractor's schedule.
