# WHAT IS CITY LIFE?

Have you ever wondered what it takes local government to keep our city running? Where does the water that flows to your faucet come from? What does Dubuque do to maintain city streets and make for smooth travels? How does the fire department respond to a fire when no hydrants are near? Learn all of this and more through City Life, the City of Dubuque's fun, free, and interactive course on local government.

By participating in City Life, you'll have the opportunity to learn more about City operations and services that make Dubuque a great place to live. Through presentations, tours, and conversations with neighbors, you'll see taxpayer investments at work and be able to share your thoughts.

**ENDLESS OPPORTUNITIES**

**"I signed up for City Life to learn more about my city and become more involved in my community. It's been really interesting learning all the details about the budget and where my tax dollars go to better the city, who I can reach out to so that I can participate in a service or program, and so much that I didn't know before. Whether you've lived here your whole life, or just moved here, there's something you can learn to expand your knowledge and something you can share to expand the potential of Dubuque. I would highly recommend it."**
