HIGH REACH

Bus advertising offers exposure to commuters, drivers, and pedestrians, and The Jule offers over 60,000 views per day.

HIGH FREQUENCY

Jule buses circulate the busiest areas of Dubuque. Most fixed routes run on a one hour loop up to 12 hours per day.

EXTENSIVE COVERAGE

The Jule's bus advertising program provides coverage throughout the entire city. All buses are rotated along different routes, so an advertiser is not limited to one area of the community.
